Encouragement for End Times

“How Should We Lead?”

I Thessalonians 2:1-12

This Fall we will all go to the voting booths and cast our vote for who we believe is the best leader for America. Our decision will be the results of a choice we make concerning those running for office. These will be our leaders for the coming years. In your mind, what determines a good leader?

Discuss, *“A leader is not determined by their position but rather their performance”*

What does it mean to be a “steward”?

What is required of a “steward” of God? *I Corinthians 4:2*

What had Paul been given to take special care of? *I Thessalonians 2:4*

What is learned from the parable that Jesus told in *Matthew 25: 14-30*

What traits does a mother who takes care of her children demonstrate? *I Thessalonians 2:7*

Why do think Paul uses the character of mother and father as he writes about leaders?

What are your strengths when it comes to being a good leader?

Who are the most important people in your life that you lead? Why?
