Encouragement for End Times

“Walk The Talk?”

I Thessalonians 4:1-12

Have you ever known of someone who rejects Christianity today because of someone they knew in their past that did not “walk” their “talk”?

Do you know of someone who causes others to stumble in their faith?

What can you do to help them live with this problem?

Hebrews 12:1-2. What is meant by the words *“let us lay aside every weight and the sin which so easily ensnares us”*.

How big an impact do you think the news of sexual abuse in the church by leadership has on Christianity?

Sexual abuse was rampant in the early church. Do you believe that pornography is a problem in today’s church?

Consider all the good things churches do. It only takes one bad thing to tear down all the good that was done. Why is this and why is it not fair?

We are told to avoid situations in the church where Satan can tempt us and we fall into sin. Can you think of any situations like that or perhaps you have seen things like this occur?

I Thessalonians 4:11-12. What exactly does this look like.

Why is important that we keep in our mind the condition of the lost?
