Encouragement for End Times

“What Is Your Hope?”

I Thessalonians 4:13-18

Do you think the Lord will return during your lifetime? Why

What are some of the indicators we are seeing today, that if they were upgraded would be a perfect fit for the tribulation?

What is one of the reasons people do not believe in the rapture or the need to be saved from the wrath to come?

Believers who have died before the rapture are waiting in their graves [their physical body] for what?

Should we be waiting on a sound or on a sign?

When a believer dies what happens to their soul? To their body?

When an unbeliever dies what happens to their soul? To their body?

How long of time does a person have once the rapture begins? I Corinthians 15:51-52

What is your idea of heaven? I Corinthians 2:9

The tribulation period will last for 7 years. What do you think the believers in heaven will be doing during that time?

II Thessalonians 2:9-12. What does this mean? Who should be concerned?
