Encouragement for End Times

“Are You Prepared & Ready?”

I Thessalonians 5:1-11

Signs and events that mark the coming of the Lord can be seen today where?

How do you answer this, We have always had wars, pestilence, earthquakes, etc.

What can we compare Matthew 24:36. What is to be gained by knowing ahead of time when the Lord will return? Why does He keep it a secret to man?

How does the “days of Noah” and our culture today resemble one another?

What are the similarities between the Lord’s return and how a thief would operate?

What did Paul mean when he wrote *“concerning the times and the seasons, you have no need that I should write to you?”*

How does your view of the church today reflect that view, or does it?

The average church grows at a rate of .08 per year. That is less than 1. How can this be changed or can it?

The average church with 100 members attending is 57% and those with 50 or less attending is 21%. In your opinion how effective is the church on today’s culture?

Is it fair to rest on the teachings of Jesus and Paul that we should expect a decline in the last days?
