Encouragement for End Times

“Be An Influencer”

I Thessalonians 5:12-28

Is being an “influencer” important to you? Do you believe you have the responsibility to influence others? What are some of those levels?

Without question churches are in decline overall. What does Paul suggest we do in order to influence others?

What are the dynamics of Philippians 2:3-4?

What did Jesus teach about recognizing a believer? How does this work?

What are the 4 things mentioned in I Thessalonians 5:14 that the believer should be doing?

What are some of the things life brings to us that we have a hard time rejoicing over? Thanking God for?

Do you think if we had the attitudes Paul suggests [v. 16-18], we could change the lives of others?

What is meant by “don’t quench the Spirit?”

Define the word “preserved” as it is used in this verse.

Define the word “faithful” as it is used in this verse.

Do you prefer studying a “topic” or “verse by verse” from the Bible?
