Reactions To Christmas

Matthew 2:1-23

What is your best memory of Christmas when you were growing up?

What do you think is the best part of the Christmas story; from the announcement by the angel to Mary to fleeing to Egypt to escape having their baby killed?

What were some of the Old Testament prophecies about the birth of Jesus?

Why did King Herod make a decree that all the male children under the age of two would be killed?

What or how would you react if this decree meant your son would die?

What were the three gifts that the wise men brought to Jesus. Does this mean there were only three of the wise men?

Consider the price that these men paid to find Him. Do you believe they were believers?

What could Joseph do to Mary because she was engaged to him but was pregnant from the Holy Spirit.

What does this situation tell you about Mary? About Joseph? About their relationship?

Their story shows the importance of listening. How does God talk with you?
