

Session 2 – The Creator’s Plan

If we really want to understand what it means to be human, we must seek the One who made us – Dr. Michael Brown

DVD Chapters 4-6 Approximately 21 minutes

1. Read Genesis 1:27. How is mankind different from the animals?
2. What distinctions does the Bible make between male and female? How are these distinction different from cultural stereotypes?
3. How has culture tried to blur the distinctions between male and female?
4. Read Ephesians 5:21-33. How is marriage a picture of Christ and the Church?
5. Read Isaiah 29:16. How should God’s role as Creator impact the formation of one’s identity?
